Notes to Applicant

The Local Planning Authority emphasise that any unauthorised works to a listed building constitutes a criminal offence. It is therefore essential that any subsequent alterations to the approved drawings (including any modifications deriving from complying with any building regulation requirements) should be discussed with the planning department prior to their implementation.

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against the duty contained within section 16 of the Listed Buildings Act 1990, the assessment informed by the provisions of policy S27 of the Allerdale Local Plan Part 1 (2014) and the National Planning Policy Framework as well as having taken into account any stakeholder representations.

Following this assessment it has been determined to grant listed building consent.

Building regulations approval may still be required for the proposed development and you can contact a Building Inspector at these offices on 01900 702520 for clarification or further details on Building Regulations these can be accessed via

Appeals to the Secretary of State

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated.
