

GRANT OF PLANNING PERMISSION

Full planning permission

The Planning Acts 1990

Joanne Ridley
Syke Road
Wigton
CA7 9NS

APPLICATION NO: FUL/2025/0066

Applicant: JG & JC Swainson
Proposal: Construction of a Calf Housing Barn
Location: How End Farm, How End, Thursby, CA5 6PX

As authorised by the above legislation Cumberland Council **grant planning permission** for this application subject to compliance with the following conditions and reasons:

1

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In order to comply with Section 91 of the Town and Country Planning Act 1990.

2

The development hereby permitted shall be carried out solely in accordance with the following plans:

Amended Location Plan with BNG received 30 June 2025

Amended Biodiversity Net Gain Small Sites Metric received 30 June 2025

Amended BNG Site Plan received 30 June 2025

Amended BNG Gain Plan received 30 June 2025

Amended General Location Plan received 30 June 2025

Proposed Floor Plan

Proposed Elevation Plans

Surface Water Assessment

Design and Access Statement

Heritage Assessment

Reason: In order to ensure that the development is carried out in complete accordance with the approved plans and any material and non-material alterations to the scheme are properly considered.

3

The development shall not commence until a Habitat Management and Monitoring Plan has been submitted to and approved in writing by the local planning authority.

The Habitat Management and Monitoring Plan shall include the following:

- 1. A detailed scheme of habitat creation and habitat enhancement works that demonstrate the delivery of a minimum 10% net gain in biodiversity value post development over a minimum period of 30 years.**
- 2. Planned management activities including details of site-wide aims and objectives.**
- 3. Details of the persons and organisation(s) responsible for delivery of the habitat creation and habitat enhancement works.**
- 4. The habitat condition targets that form the basis of what the Habitat Management and Monitoring Plan is setting out to achieve.**
- 5. Details of monitoring methods and a monitoring reporting schedule.**
- 6. Details of adaptive management approaches.**

Reason: In the interests of ensuring measurable net gains to biodiversity and in accordance with the provision of the National Planning Policy Framework and The Environment Act 2021.

4

The development hereby approved shall not be occupied until the habitat creation and habitat enhancement works detailed in the Habitat Management and Monitoring Plan secured by planning condition 3 have been completed in accordance with the approved details.

Reason: In the interests of ensuring measurable net gains to biodiversity and in accordance with the provision of the National Planning Policy Framework and The Environment Act 2021.

5

Within 3 months of the completion of the habitat creation and habitat enhancement works detailed in Habitat Management and Monitoring Plan secured by planning condition 3, a completion report, evidencing the completed habitat creation and habitat enhancements shall be submitted to and approved in writing by the local planning authority.

Reason: In the interests of ensuring measurable net gains to biodiversity and in accordance with the provision of the National Planning Policy Framework and The Environment Act 2021.

6

The habitat creation and habitat enhancement works detailed in the Habitat Management and Monitoring Plan secured by planning condition 3 shall be managed and maintained in accordance with the provisions of approved Habitat Management and Monitoring Plan secured by planning condition 3 for a minimum

period of 30 years post completion of the habitat creation and habitat enhancement works.

Reason: In the interests of ensuring measurable net gains to biodiversity and in accordance with the provision of the National Planning Policy Framework and The Environment Act 2021.

7

Monitoring reports, demonstrating how the habitat creation and habitat enhancement works detailed in Habitat Management and Monitoring Plan secured by planning condition 3 is delivering on its site-wide aims and objectives and habitat condition targets, shall be submitted to the Council during years 2, 5, 7, 10, 20 and 25 post completion of the habitat creation and habitat enhancement works detailed in the Habitat Management and Monitoring Plan secured by planning condition 3 unless otherwise stated in the Habitat Management and Monitoring Plan secured by planning condition 3.

Reason: In the interests of ensuring measurable net gains to biodiversity and in accordance with the provision of the National Planning Policy Framework and The Environment Act 2021.

Iain Fairlamb
Service Manager for Development and Implementation

Dated: 23 July 2025

Statement Application Approved Following Revisions

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against, primarily, the development plan policies, any duties applicable and also all material considerations, including Local Plan policy, the National Planning Policy Framework and any stakeholder representations that may have been received. In this context, having identified matters of concern with the application as originally submitted and, if applicable, following negotiations with the applicant, acceptable amendments and solutions to the proposal have been received. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

Building Regulations

Building regulations approval may still be required for the proposed development and you can contact a Building Inspector at these offices on 01900 702520 for clarification or further details on Building Regulations these can be accessed via <https://www.allerdale.gov.uk/en/planning-building-control/building-control/do-i-need-building-control/>

Electricity

Prior to any building work or development you are advised to check the location of any Electricity Northwest cables, overhead lines or any other electrical equipment that may be

located near to where you will be working using their self-service Know Before You Dig. Please use following link <https://www.enwl.co.uk/advice-and-services/know-before-you-dig/>

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (<https://www.gov.uk/appeal-planning-decision>) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Purchase Notices

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
