Hi Kerry

So part of the conversion was done years ago, and I can find out more details into that, the other part of the barn is to be converted and the existing garage.

Best wishes

Subject: Planning Application FUL/2025/0091

Dear Holly

Reference No: FUL/2025/0091

Applicant: Noblett

Proposal: The conversion of the barn to dwelling

Location: Bridge Hill House, Kirkbride, Wigton, CA7 5JB

Please find below comments from EH colleagues which I would be grateful if you could provide a response to.

I refer to your recent consultation regarding the above-named application. I have reviewed the proposals. From the existing plans and proposed plans it seems that the conversion has already been completed. Can the applicant advise whether any investigations into land contamination were undertaken during the works?

Kind regards

Kerry
